Dear Mr. Olsen:

Thank you for your December 5, 1993, letter asking if marijuana is illegal if the delta-9-THC is removed from it.

Because your question involves the Controlled Substances Act of 1970, we have forwarded your letter to Frank Sapienza, of the Drug Enforcement Agency, Washington, D.C. 20537. You should be receiving a reply from him shortly.

Sincerely yours,

A handwritten signature in cursive script, reading "Harold Davis", is written over the typed name.
