Dear Mr. Olsen:

I appreciated receiving the documents you sent supporting your efforts to legalize marijuana for medical purposes in Iowa. You present some good arguments and I will take the time to read your information. I do, however, have continued concerns about the short and long term side effects of marijuana use even in face of apparent short term help for certain patients.

Thank you for taking the time to write.

Sincerely,

A handwritten signature in cursive script that reads "Chuck".
