Defendant.)	

COMES NOW Dejay Monson and hereby waives his right to a speedy trial under both the Constitution of the United States and under United States statutes so that his newly retained attorney can become familiar with the charges, facts and potential issues surrounding this indictment.

Defendant has discussed his statutory and constitutional right to a speedy trial with his attorney. He understands and acknowledges that his request for a continuance will necessarily delay the trial in this matter. Accordingly, Defendant voluntarily waives his right to a speedy trial as set forth in the motion.
