Dear Mr. Olsen:

This is in response to your March 23, 2010, Freedom of Information Act (FOIA) records regarding the Department of Health and Human Services (HHS) report on medical use of marijuana recently submitted to the DEA Office of Diversion Control, Christine A. Sannerud, Chief, Drug & Chemical Evaluation Section (ODE) in response to the Marijuana Rescheduling Petition filed by Jon Gettman on October 9, 2002, accepted by DEA on April 13, 2003 and referred to HHS in July 2004.

The Department of Health and Human Services (HHS) programs are administered by eleven operating divisions.¹ Each operating division has its own FOIA Requester Service Center (FRSC) which typically handles searches for its own records. For example, the Division of FOIA Services, Program Support Center, handles FOIA requests for records in the custody of PSC, the Office of Public Health Service (OPHS), and the Rockville, Atlanta, and Baltimore Human Resource Centers.

¹ Administration for Children and Families (ACF), Administration on Aging (AOA), Agency for Healthcare Research and Quality (AHRQ), Agency for Toxic Substances and Disease Registry (ATSDR), Centers for Disease Control and Prevention (CDC), Centers for Medicare & Medicaid Services (CMS), Food and Drug Administration (FDA), Health Resources and Services Administration (HRSA), Indian Health Service (IHS), National Institutes of Health (NIH), and Substance Abuse and Mental Health Services Administration (SAMHSA).

I referred your request to the FDA at the following address, which will respond directly to you.
